Crown XL

AND THE NORDIC WARRIOR XL

Lavish and innovative, the Nordic Crown XL™ & Warrior XL™ will enrich the life of discerning spa users. Deep, unobstructed seating for six people will make this round spa a jewel for your backyard.

Made from the finest materials and stylishly designed, the Crown XL™ & Warrior XL™ will lift your mind and body in cascades of healing water. In addition to classic jets targeted to specific body zones, Nordic spas offer whole-body, whirlpool therapy with their exclusive dual-therapy system (DTS™).

Most spas offer only traditional, targeted hydrotherapy, benefiting only the back half of the body. Nordic spas, with their barrier-free seating and turbo jets, will provide gentle, enveloping therapy to all zones of the body, back and front. Used by professional athletes the world over, whole-body whirlpool therapy has proven itself better at relieving tension and releasing stress stored in every area of the body.
