Rendezvous Royal

Nordic's Rendezvous Royal provides the perfect place to gather friends and family for fun and relaxation. With deep, unobstructed seating for eight, this spacious diamond-shaped spa can help you create special times with the entire family or intimate moments with that special someone.

Give loved ones the gift of tranquility, melting tensions with Nordic's exclusive dual-therapy system (DTS™), offering not only traditional jets, but also gentler, whole-body therapy.

Most spas offer only a single type of hydrotherapy — jets that target specific body zones. Nordic's creations offer targeted therapy with unique configurations of powerful jets, but also offer whole-body whirlpool therapy to more gently massage not only the back of the body, but also the front. Because of Nordic's high-flow turbo jets and barrier-free seating, your body can be surrounded by swirling water that soothes muscles and joints.
